About Venus International

Established in 2001, Venus International has developed its expertise in the fashion accessories and wholesale industry, serving businesses looking for reliable products and consistent supply.

Our capabilities extend beyond supplying finished products. We work with clients from concept development and sampling to production, quality inspection, packaging and delivery.

Men,s Belts

A well-crafted belt is more than just an essential accessory - it completes the look. Venus International offers a versatile collection of men's belts designed to combine durability, comfort and contemporary style for both formal and casual wear.

From classic buckle designs for formal dressing to modern auto-lock and reversible styles for everyday wear, each collection is developed with a focus on quality, practical functionality and refined finishing.

Men's Wallet

Venus International's wallet collection is designed for modern lifestyles, offering practical storage with refined designs and quality finishes.

With different materials, textures, finishes and design options, our wallet collection can be adapted to suit different price points, customer segments and brand identities.

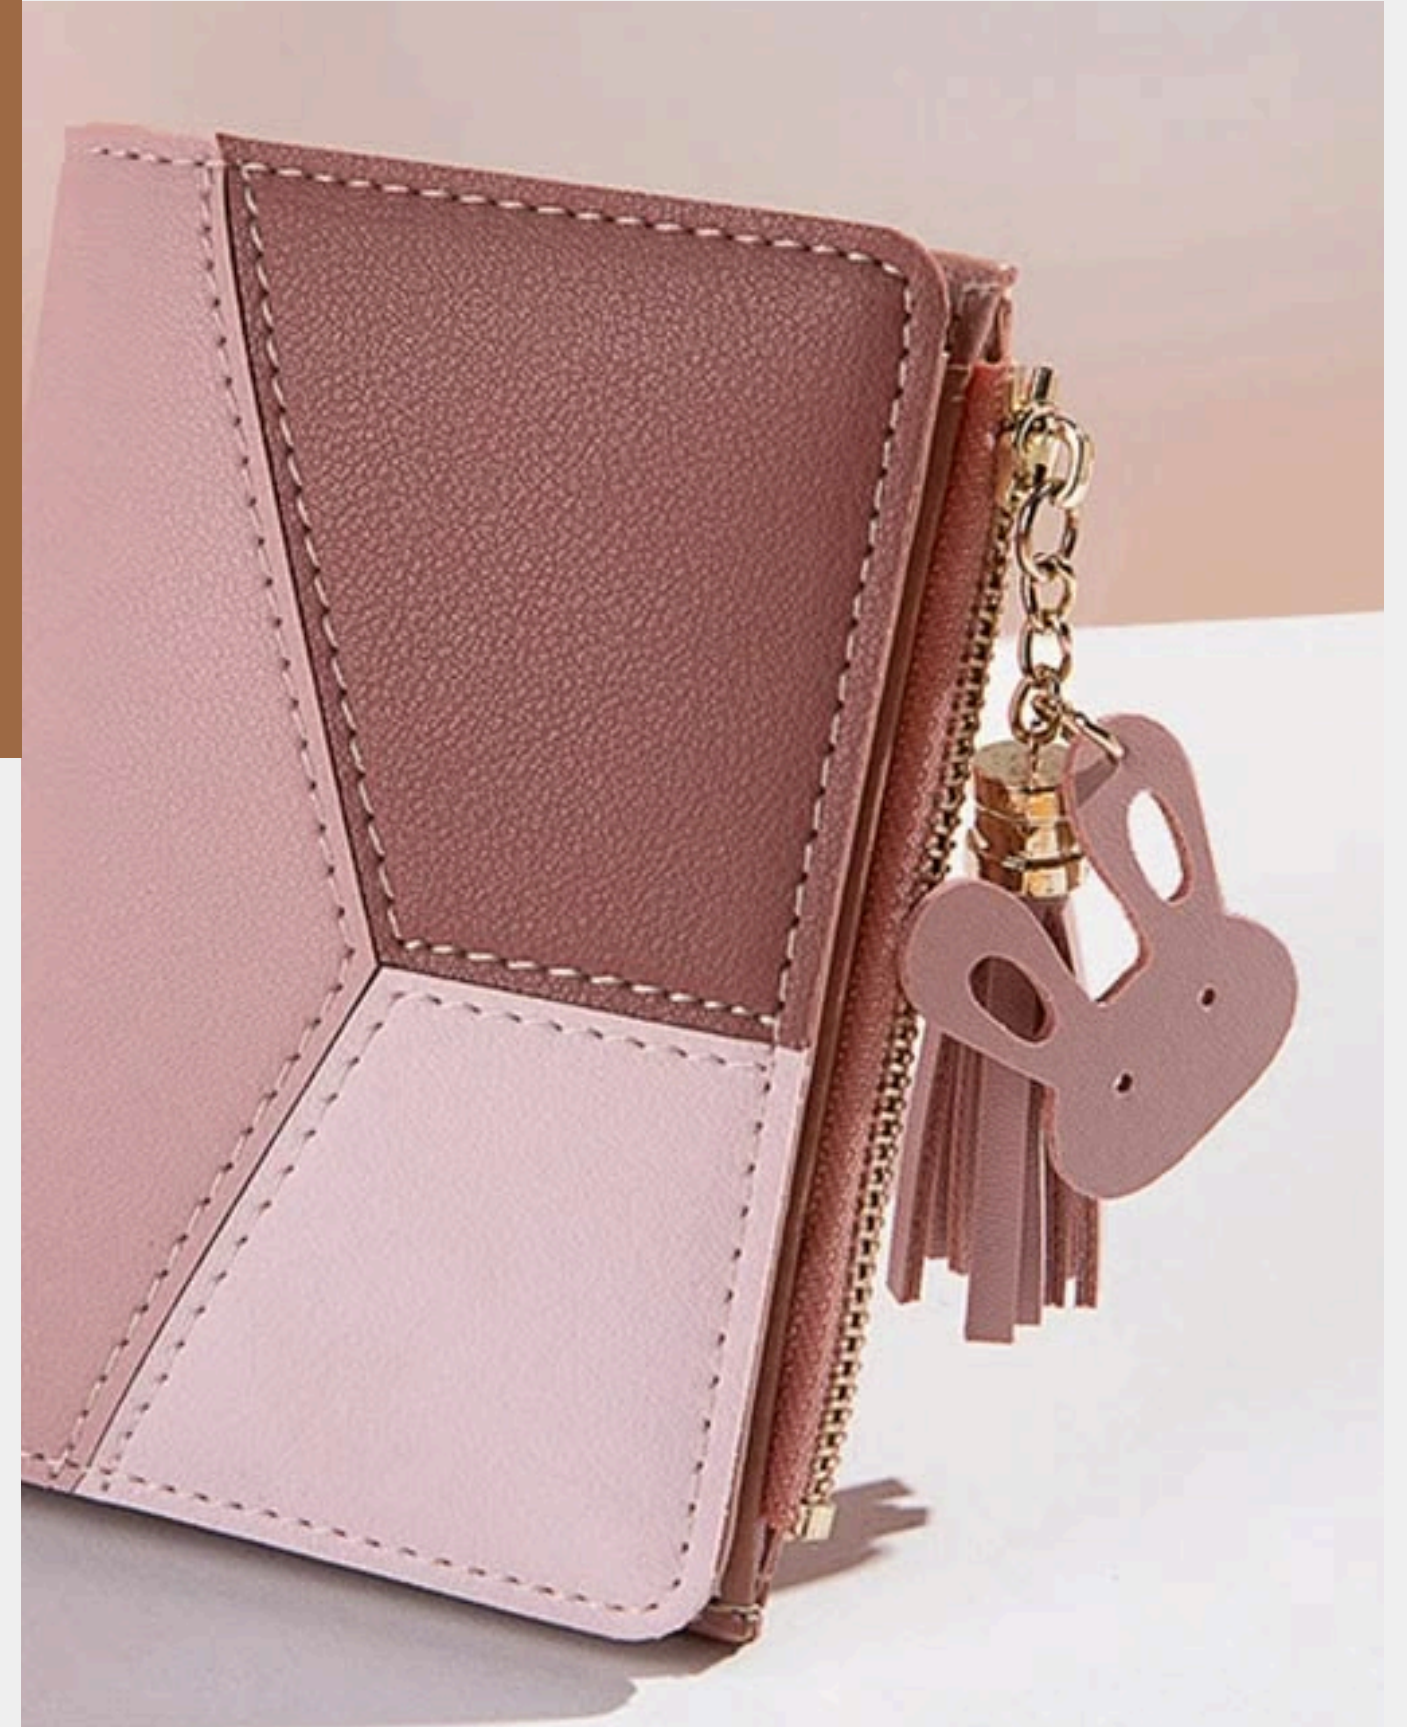

Whether you are a retailer, wholesaler, distributor, fashion brand or private-label business, Venus International provides solutions designed to help you build a commercially appealing wallet collection.

Women's Wallet

At Venus International, our women's wallet collection is designed to complement modern lifestyle with elegant silhouettes, practical storage, and fashionable finishes.

With a range of materials, textures, colours, patterns and finishes, our women's wallets can be developed to suit different customer segments and market requirements.

Whether for retail, wholesale, fashion brands, distributors or private-label collections, Venus International offers versatile wallet solutions designed to combine commercial appeal with everyday functionality.

Men's Bags

the Venus International collection of men's bags, where practical functionality meets contemporary style. Designed for modern lifestyles, our bags offer versatile silhouettes, convenient storage and refined finishes for everyday use.

With a focus on design, functionality, quality finishes and versatility, our men's bags are suitable for retailers, wholesalers, distributors, fashion brands and private-label businesses.

Whether you're looking for a classic everyday style or a contemporary collection for your brand, Venus International offers solutions that can be tailored to different markets, quantities and brand requirements.

Women's Bags

At Venus International, our women's bag collection brings together contemporary design, practical functionality and refined detailing. Created for the modern woman, each style is designed to complement different outfits, occasions and everyday routines.

Our women's bags combine thoughtful details such as spacious compartments, secure closures, comfortable handles and adjustable straps, providing both style and convenience for everyday use.

Our collection is developed to serve retailers, wholesalers, distributors, fashion brands and private-label businesses, with versatile designs that can be adapted to different markets and customer segments.

At Venus International, we focus on creating products that offer the right balance of fashion, functionality, quality and commercial appeal.

Men's pouches

Venus International's men's pouch collection is designed for those who value organization, functionality and effortless style. Compact yet practical, these pouches provide a convenient way to carry everyday essentials while maintaining a clean and sophisticated look.

From classic minimal designs to contemporary textures and finishes, our men's pouches can complement a variety of customer preferences and retail collections.

They are ideal for retailers, wholesalers, distributors, fashion brands, corporate gifting and private-label businesses.

Thankyou

Thank you for exploring the world of Venus International, where quality, design and craftsmanship come together.
